(Where cattle are coming from premises under TB2 restriction they need to have had a clear TB test within the preceding 90 days)  
**CATTLE FROM HOLDINGS WITH TB BREAKDOWN, NO SIX DAY RULE**  
Sheep vendors please note this is still a RED day

## **Saturday Markets**

### **SHEEP TAGGING & RECORDING REQUIREMENTS FROM 1<sup>ST</sup> JANUARY 2015**

#### **ENGLAND – LAMBS**

As from 1<sup>st</sup> January all lambs being identified from this date on any holding in England must be identified with either Double Electronic Tags (Breeders) or a Single Electronic Slaughter Tag (Prime Lambs and/or Store Lambs).  
Sheep Keepers will record the single identified lambs by batch – recording the Number of Animals and Flock Numbers.  
Lambs born in 2014 and identified with a single, non-electronic tag DO NOT need to be retagged when moved after 1<sup>st</sup> January 2015.

#### **CULL EWES**

Those individually identified with electronic tags will be electronically read and recorded.  
For those individually identified with the old style Manual/Non-Electronic Tags (Historic Flock) it is our recommendation that Sheep Keepers retag these at the time of selling with a set of double electronic tags.  
However rules do permit:  
Those sheep being moved as a “Batch” direct to slaughter (including through a market) using old manual tags as the identifier list the total number in each consignment

#### **BUT**

If these sheep move to a non-abattoir holding or through a market to a non-abattoir holding, they must have their individual manual/non electronic tags (UK + (up to) 12 digits) read and recorded on the Movement Licence.  
We recommend any Historic Flock with old style non electronic tags be sold with a declaration to slaughter

#### **PLEASE NOTE**

**The TB Status of the Livestock Market on a Store Cattle Sale Day is TB NEUTRAL. Livestock sold on this day retain the TB Status from their Departure Holding, I.e.: TB1 or TB4.**  
**If you any queries please speak to the Auctioneers.**

### **DELIVERY OF STOCK ON A TUESDAY & FRIDAY AFTERNOON**

**Please note we are unable to accept ANY Livestock on EITHER a Tuesday or Friday Afternoon before 4pm, without prior permission from Keith Miller 07801 032847 James Sealy 07772 618315 Market Office 01636 676741**

#### **FARM ASSURANCE** **LINK HOLDING NUMBERS**

**Please ensure where you take summer grazing that you link that to your main CPH Number to ensure Stok is sold to be correct for Farm Assurance.**

**Do not assume it is done automatically. A mistake could be costly**

**AUTOMATED BARRIER SYSTEM TO ENTER & EXIT  
NEWARK LIVESTOCK MARKET.**

The automated barrier system to enter and leave the Livestock Market is now up and running. The barrier is operated using Automated Number Plate Recognition Cameras. If you are a regular user of The Market, we are able to add you to "The Safe List" this will mean that you are able to access and leave the market without incurring a cost.

**To Register for The Market Safe List please either ring:**

**The Market Office 01636 676741 or**

**Text Your Name and Number Plate to 07772 618315**

- If you use a Tractor and Trailer to move stock please register a number plate that you are able to carry in the cab, to gain access.
- Cracked, Damaged & Dirty Number Plates cannot be read.
- **DO NOT** physically lift the barrier, it is videoed and damage costs will be passed to parties by the Council and Criminal Damage reported to The Police.
- If you encounter problems please use the Yellow Box Phone (Pressing 1) to speak to the Operators.
- Please not private cars without a livestock trailer cannot park within the lorry park for Health and safety reasons. Cars should use the pay and display car park at the front of the livestock market.

***Any Questions please to James Sealy  
07772 618315***

**DON'T WASH OUT AT NEWARK?!**

**UNDERTAKING TO CLEANSE & DISINFECT VEHICLES**

Drivers of vehicles leaving Newark Market empty without cleansing and disinfecting must complete a Form from the Market Office.

Drivers are required to cleanse and disinfect their vehicles as soon as reasonably practicable and in any case within the next 24 hours or before it is next used for transporting livestock. You can be subject to random Veterinary or Trading Standard Inspections.

**You have been Warned, it is your responsibility!**

**SHEEP ISSUES AT MARKETS:**

**LAME & UNFIT SHEEP:**

We have in the past few weeks seen lame and unfit sheep, presented for sale. Please note that if Hoggs or Ewes are unable to bear weight on any leg they **should not** be presented for Sale and **WILL NOT** be accepted at Newark. Any Come Back on Us will result in a Come Back on You!

This will be the same for Hoggets and Ewes presented that result in being in Lamb!

**MOUthing OF HOGGETS:**

We thought that we had been given the ruling in the change of the need to mouth Hoggets (2018 born sheep) stating that they would be sold as "Clean Sheep" until the end of June...

Sadly, this is not the case – we have received via the Livestock Auctioneers Association a Press Release that in the "uncertain times concerning BREXIT... that not to upset the apple cart DEFRA and the Food Standards Agency have decided **not to allow the UK to move to ageing sheep using a calendar date.**

***This means Hoggets MUST CONTINUE to be aged by dentition this 2019 Hogget Season!***

Hoggets will be mouthed in the Sale Pens following weighing as from the 1<sup>st</sup> April, if they are identified to have "shot broad teeth" they will be identified and sold as "A" Lots in the Pen.

**HEALTH INSURANCE - Is it something you have considered?!**

Are you and your family interested in Medical Insurance / Life Cover / Income Protection / Critical Illness / Key Man Cover etc...?

I work with AXA for Medical Insurance policies, Canada Life for Group Life Assurance and AIG for Individual Policies (i.e. personal life cover), I can also offer cash plans through Healthshield.

I will always try beat other quotes whether it's by Brokers or other Insurance Companies - I am aware a lot of people go through the NFU, and you may have a renewal coming up but please afford me the opportunity to see if I can get you a better price with the same level of cover? Or alternatively you may be a customer already with AXA, I can still look after your account and deal with the renewals for you.

On top of that how many other companies offer a personalised service? I am contactable at all times, there's no Monday to Friday 9-5 with me, as I want all my clients to have that extra peace of mind if they take out a policy with me, and I will always deal with your renewals and get you the best price possible.

**Please feel free to contact me on 07543221161 or alternatively email me on [r.gaunt@securehealth.co.uk](mailto:r.gaunt@securehealth.co.uk)**
