f Newark-Livestock-Market-Ltd/

We are pleased to set out below our listing of Saturday markets and special sales for 2019.

2018, was yet again a bumper year at Newark with our Saturday sales continuing to go from strength to strength. On a weekly basis we see new faces and we are grateful for the support shown by both vendors and purchasers. Throughput in the market has also increased on the year with **21,359 cattle, 171,553 sheep and 832 pigs** passing through the Sale Rings.

2019 looks another busy year for both special and Breed Society Sales in both the cattle and sheep sections. We are honoured by the loyalty of the Breed Societies seen in the listings who have secured various sales for 2019, with others in the pipelines. Up to date information, sale dates and entries as they are booked can be found within our Weekly Market Report, on either our website or Facebook Page or in our weekly Farmers Guardian advertisement.

Keith and I, together with the team at Newark want to maximise the marketing of your stock prior to selling at Newark, so please speak to us to discuss requirements; we are always happy to come to the farm to visit.

Please remember, Wednesday Markets operate under "Red Market" slaughter only conditions, No TB test required and cattle can be sold from herds down with TB. Saturdays operate under "Green Market" conditions where a pre-movement test is required on all cattle moving from a 1 year TB Testing Parish.

We look forward to welcoming you to Newark in 2019, and please remember ALL stock is PAID FOR ON THE DAY!

Sell Live and Thrive!
